NEWSLETTER

During this year the children have had the opportunity to go on a variety of trips that make school enjoyable and a fun place to be while creating real learning situations.

We would like to thank all the volunteers who helped on these trips.

KS1 visit to Bowland Wild Boar Park

A delightful day was enjoyed at Bowland Wild Boar Park at Chipping. The children experienced a wide range of activities including stroking the chicks, learning about the pigs and wild boars and feeding them. Later in the day they enjoyed a wildlife trail and a tractor trailer ride. The children also had fun on the adventure play park.

The day was rounded off with an ice-lolly and a chance to feed the ducks at Puddleducks café.

KS2 visit to the National Coal Museum

Years 3, 4, 5 and 6 visited the National Coal Museum in Wakefield. Despite the weather, the children had a great day! As well as an underground tour of the mine, the children visited different workshops. Class 3 and 4 investigated fossil and rock formation whilst Class 5 listened to Sally who explained what life was like for children, from the age of 5, working down the coalmines in Victorian Britain.
