St Joseph's After School Club

We enjoyed our first FILM FRIDAY earlier this month and everyone was very excited to watch Toy Story 4 on the Big Screen in the hall and it certainly felt like we were at a real cinema! We enjoyed popcorn in cones and had hotdogs and a drink in the interval. We hope to hold these events on a regular basis and we will keep an eye out for new releases that you might like to watch – we also welcome any suggestions too! Don't miss our next festive themed FILM FRIDAY on 13th December 2019!

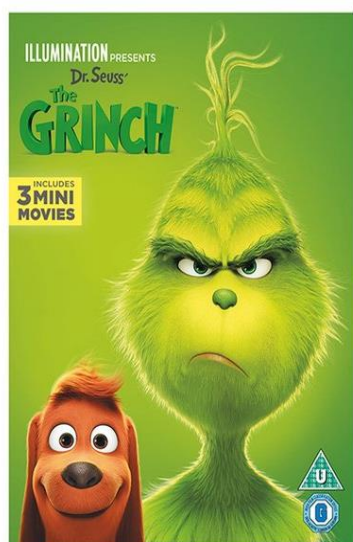

One of the highlights of this term was our Lantern Making session at which 15 after school clubbers (along with a few helping hands from staff) made a lantern each for the Barlick Switch On Event. We did our own mini procession in the playground which looked quite spectacular in the dark – what super creations!

Drop us an email ASAP if you would like to see our Breakfast Club open at 7.45am!

Awesome Autumn...

"MAKE IT" MONDAY

We have been baking, biscuit decorating and sun catcher making! We have been so creative in lots of ways including building our own dens indoors!

"TECH" TUESDAY

We have been using circuit building equipment to explore electricity and spent time typing stories in the ICT suite and playing games on the PC for fun!

"OUR WONDERFUL WORLD" WEDNESDAY

We had fun exploring outside, finding and identifying leaves and then using them for leaf rubbings and collages.

"THOUGHTFUL" THURSDAY

We made Poppy suncatchers for Remembrance Sunday and a giant Thank You card (see below). We also entered the Andrew Stephenson Christmas Card competition..

"FEEL GOOD" FRIDAY

Football in the hall, giant ballons, beading, air hockey, and giant paintings with our hands...just some of the things that make us feel great on a Friday!

Finally, the children would like to say a special thank you for your donations of toys and resources which are always welcome, and for your continued support as we develop and build our lovely new club!
