# NEWSLETTER

*'With Jesus at the centre of all we do and say'*

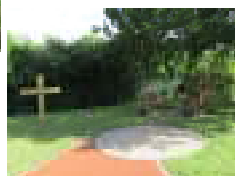

## **Mission Possible - Thank you for your support**

The seven members of the Mission Possible team would like to say a big thank you for all your support this year. Over £18,000 was raised plus lots of resources collected. The children in the Nairobi schools we worked with and supported were so grateful. We visited some of the homes of the children and donated money to help provide some of the basic necessities such as; a bed and children's shoes.

## **Prayer Garden**

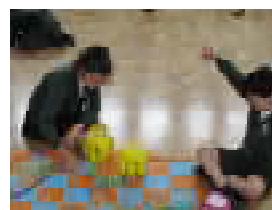

Our children were involved in planning and designing our new prayer garden. It has sensory areas and areas of contemplation. The children are making the most of the garden and enjoying the quiet space whilst they learn, read and have some peaceful time. Thank you to 'Slateage' Fence 'for providing our class virtue plaques and thank you to Robert 'The Environmental Group' at Nelson. for all the amazing work you and your team have done. The garden will have its official opening soon.

Thank you to Homebase and Asda for their donations. And also to 'Peggy Humphrey's' legacy.

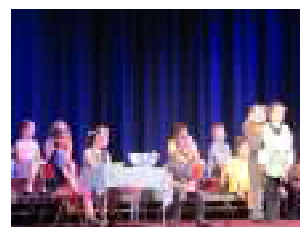

## **Class 5's Maths Workshop**

Thank you once again to Mrs Henderson and class 5 for holding Maths workshops for the whole school to participate in. All the children thoroughly enjoyed the activities.

## **Pendle Festival**

Pendle festival was again a great success. Thank you to Mrs Hopkins for an amazing last Pendle festival performance in French!

with First aid training in school. Well  
done to all who took part.

If you have any queries regarding this  
newsletter please see Mrs De Carteret  
(Deputy Headteacher)

## Sponsored

Thank you to everyone who joined in with our sponsored  
event. The children had an absolute 'ball!' All the children in  
school took part and thoroughly enjoyed the challenge of  
attempting to gain a high score on the inflatable dart board.  
The event raised an amazing total of £850! Proceeds raised  
will buy new resources for school including; a new laptop to  
sync all the new iPads and some  
outdoor equipment for the Forest  
Schools project.

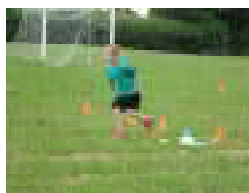

## Class 2 Help the Dolphin's Day

Inspired by some non-fiction reading and writing, Class 2  
worked towards their 'Dolphin Diploma' awarded by the  
whale and dolphin conservation. Having become dolphin  
experts, they completed a quiz together and then had a 'wear  
blue' day and a cake sale to raise money and awareness about  
dolphins. They raised  
the grand total of £110  
to adopt a dolphin!  
Super effort!

## Sports Day

Sports day was a great success once again. Well done to all  
the children for their team spirit. Everyone was a winner but  
the teams with most points were Green and Yellow teams  
joint.

## Enjoy the sun

Remember sun cream and sun hats in the warm weather.
